REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Upon reconsideration of Applicants' arguments, filed July 06, 2009, the Examiner agrees that the Hirao '912 reference in combination with the Dockner '865 reference does not teach or discloses "the operation of the rectification column in a (meth)acrylic acid production scheme where the solvent/(meth)acrylic acid is feed at the top and which is operated without reflux and without the feed of an external inert gas." Thus, the previous rejection of claims 2-23 under 35 USC 103(a) is withdrawn by the Examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to PORFIRIO NAZARIO GONZALEZ whose telephone number is (571)272-0641. The examiner can normally be reached on M-F (9:30 A.M.-6:00 P.M.).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel M. Sullivan can be reached on 571-272-0779. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
